FIRST BALE 1950 COTTON HERE SOON

COTTON CROP LOOKS PROMISING IN COUNTY

Cameron's first bale of 1950 cotton may reach the local market around August 1 it was indicated by crop analysts.

On the whole the cotton crop this year is doing well although insect infestation has been rather heavy. Continued dry weather was making the plant react favorably in all areas, where heavy rains fell within the last few weeks.

Cameron, as one of the cotton centers of Central Texas, will naturally want to provide a handsome cash premium for the first bale and here is an excellent opportunity for the Junior Chamber of Commerce and the Herald will be glad to make a liberal donation.

We must demonstrate our appreciation for the county's major crop and demonstrate Cameron appreciates not only the first bale but marketing the crop here.

Cameron cotton gins were standing by in a state of readiness and although the acreage is short this year under government regulations Milam County should get around 20,000 bales.

6,073 VOTES ARE CAST IN PRIMARY ELECTION

Milam County on Saturday polled a total of 6,073 votes.

This total was in line with the forecast made by this newspaper on the turn out in the primary election.

It is interesting to note that 4,862 poll taxes were paid in the county, the excess being accounted for by the aged people and those exempt because they were not 21 years old in time to be assessed in January 1949.

In computing this total J. B. White, Chairman of the Milam County Democratic Executive Committee said that returns had been received up to Monday from all precincts except Sandy Creek and the indicated total there was 112.

Complete unofficial returns will be published and the committee will meet Saturday to declare officially the results and proclaim the nominees.

NO RUN OFF RACES IN MILAM COUNTY

DEMOCRATS MEET HERE SATURDAY

COUNTY CONVENTION IS DUE TO BE TAME

The Democratic Convention for Milam County will be held Saturday July 29 in the District Court Room.

The Democratic Executive Committee will meet at 10 a. m. to officially declare the results of the primary election and proclaim the nominees. The Convention will meet at 2 p. m. and will receive official canvass of the votes and declare the successful candidates, nominees of the party for offices in the county and in the precincts.

Only a few of the voting precincts held conventions, but there should be a sufficient number of delegates to organize the convention. The duty of the Convention is to elect delegates to the State Convention where nominations for State offices will be made.

All Conventions were tame affairs with no contests developing as was the case two years ago when the Texas Regulars fooled into submission the boys from the forks of the creek and went on to capture the Texas delegation which refused to vote for the nominee for President and Vice-president, casting the Texas vote for a dissenter from Georgia.

A Convention of Democrats should always declare themselves for what they stand and so instruct their delegates to the State Convention, because delegates not bound by the rules or instructions are sitting ducks for the designing politicians or industrial leaders who know exactly what they want.

Largest Vote In History of Cameron Is Cast Saturday

The largest number of votes ever cast in the City of Cameron were recorded in the primary election on Saturday, July 22.

The City has two voting precincts, and a total of 1,482 votes were cast. It is interesting to note there were 1,182 poll taxes paid, and the number of votes here was over 24 per cent of the total cast in the entire county.

At the Court House, 747 votes were cast and at the School Gymnasium, a total of 735 votes were cast.

Draft Board Moves To New Location

The Cameron Draft Board No. 92 has moved from the City Hall to the Lippman Building, upstairs over the Archer Appliance Store and the Gregory Tire Store it was announced today by Mrs. Loretta Brock, secretary of the board.

The draft board has been located in the City Hall for the past fifteen months. Registrants are to report to the new location for any information about registration.

American Legion To Hold Installation Services August 1

Installation services for Edwin Hardy Post No. 9, American Legion will be held Tuesday August 1 at the Hut in Wilson-Ledbetter Park, it was announced Wednesday morning by Joe O'Neill.

Officers to be installed are Joe D. O'Neill, Commander; Dr. Joe R. Parker, Vice-Commander; John Fuller, Adjutant; H. B. McClellan, Service Officer; Rev. W. T. Carr, Chaplain; Joe Corbran, Finance Officer; J. A. Henderson, Historian, and John Zarosky, Sergeant at Arms.

Mr. O'Neill said the Post plans for a membership drive in 1951 and urges all members to be present for the services.

Miss Charlotte Collins has returned from a visit to Louisiana.

Morgan Layfield Going to Japan; To Sail August 15

Morgan Layfield, former principal at Yoe High School will leave Cameron on August 11 for Seattle, Washington where he will sail for Japan on August 15.

Mr. Layfield announced he had received final notice from the Government that his appointment was definite, and in response to this call, he will leave Cameron August 11 to accept a position as principal of a school in Japan for one year.

At the expiration of the allotted year, his plans are to resume his position as principal of Yoe High School in Cameron.

After the principal announced his intentions of accepting the offer made by the government, he was granted leave of absence by the Cameron School Board, to be effective for the one year. It was the feeling of the board that the travel and experience to be gained in the undertaking would be equivalent to at least one year in college, and their decision was welcomed by citizens of Cameron, the faculty and student body.

Alton Fuchs To Play In All Star Game At Tyler August 12

Alton Fuchs, 1949 star Yoeman, will play in the all star game closing the Rose Festival at Tyler on August 12. He was contacted by officials Wednesday who asked the ex-Yoeman to play for the South in the game climaxing the Festival.

Alton was considered for a position on the team upon recommendation of Leo Jackson, former coach in Cameron.

He will leave early next month to begin work-out in Palestine August 7. Members of the southern team will be housed in Palestine and will work-out for five days. On Saturday, August 12, they will go to Tyler for the big game.

Cameron fans will remember him as a quarterback and fullback on the Yoeman team.

Alton has completed a six week's summer course in Business Administration at A & M College, and will re-enter college in the fall. He is the son of Mr. and Mrs. Leo Fuchs of Cameron.

Paper Prices Are Higher; Newsprint Up \$10 Per Ton

Paper prices have advanced during the last week end newsprint has gone up \$10 per ton, the publisher of this newspaper was notified today. Current purchases have been shipped under protection at the old price.

All future shipments of newsprint and print papers will have to be paid for at the new price levels, ranging from 5 to 10 percent increases.

This newspaper has been notified that carbons, stencils and kindred supplies have advanced as much as 5 to 10 per cent.

Walker Family At Friendship Reunion

A reunion of the family of W. T. Walker was held July 9 at the Friendship School. The Walkers first settled in the Friendship Community on December 7, 1875.

Only three of the original family remain, Mrs. J. M. Strickland of Friendship, Mrs. Martin Keith of Breckenridge, and Solon Walker of Lockney. A half-aunt of Conroe, Mrs. Fanny Clanton, was also present.

176 relatives came from Oklahoma, Arkansas, California, and Texas to the reunion.

Miss Dovie Quillen was a Cameron visitor Saturday.

Clifton C. Carter Guest Of Lions Club Tuesday July 25

Clifton C. Carter, U. S. Marshal for the Southwest District, was guest speaker at the Lions Club Tuesday.

Mr. Carter gave a brief discussion on "Citizenship." He illustrated certain facts about the responsibility citizens have regarding today's delinquent youth situation.

Mr. Carter also gave an interesting talk on the importance of serving on a jury and said that people should always serve when asked and not try to evade their responsibility.

Mr. Carter played football on the Smithville Team in 1934 that defeated Cameron for the Bi-District title. He was guest of E. C. Cole who introduced him to the club.

16 YEAR OLD BOY IS HELD IN JAIL HERE

Melon thieves who have been devastating the patches of local producers were being rounded up by Sheriff Carl Black.

A 16 year old boy is being held in jail and the sheriff said he is one of six who are involved in a series of forays on melon fields in the past two weeks in the sand country east of Cameron.

Farmers appealed to officers for protection from town toughs who may have stolen melons in sufficient quantities to be sold on the Markets. In some cases, the boys entered the fields and took melons to eat, and in some cases they destroyed melons worth as high as \$1.00 on the market.

The melon crop in Milam County this year is short due to unfavorable growing weather, and farmers have been realizing a good profit on sales.

While no charges have been filed against the boy being held, it was said that his case would face disposition in the juvenile court. Officers were certain they would be able to arrest others involved in the gang.

Cameron has had for a long time a bunch of youngsters who have given the law considerable trouble. When hailed into court they can usually count upon leniency, and parents usually prevail on the authorities, and being too young to send to reform school or youth prison, mercy is rarely ever rebuked for bending its knee.

Since publication of a news story in this newspaper a week ago, farmers report they have not been raided and it is believed the gang of thieves has been broken up, but if additional arrests are made, officers here say that charges will be filed.

HINTON PRUETT WILL BE SUPERINTENDENT

Complete returns from Milam County's 47 Precincts in the July 22 primary disclosed that although there were a larger number of contested races than at any time in recent years, there will not be a single run-off in August.

In the race for Representative for the 64th District, H. M. Roark of Rockdale, former County Clerk, defeated Frank M. Haley in a race that brought out smoldering animosities that lapped over into other races and caused a slight lifting of the eyebrows as returns came in and were tabulated.

In the race for County Clerk, Homer Nabours won a majority over 3 opponents, and in the race for County Attorney, Ed Gunn won the nomination over Charles C. Smith Jr.

Hinton H. Pruett of Milano will be the next County Superintendent, having defeated Charles M. Hicks by almost a thousand votes.

In three of the Commissioner Precincts, all three incumbents were re-nominated. They are W. W. Markham of Cameron, Bryon Neal of Rockdale, and T. F. Locklin of Thorndale. In Commissioner Precinct No. 1, C. S. Raney of Buckholts had no opposition.

Complete tables on all contested races will be published from day to day, and will be included in the weekly edition of the Cameron Herald.

The number of votes cast exceeded 6,000, in a surprise show of interest throughout the county. In the City of Cameron, the largest vote ever recorded was cast in its two precincts, a total of 1,428 votes. In some races where the heat was on, more votes were recorded for the candidates than the official poll list indicated were cast in the boxes.

Here is a complete, unofficial total of all contested races for County offices, including Representatives:

LIBERAL LAWS ON MIGRATION SOUGHT

Harvest labor during the coming season may be more plentiful as the result of efforts now being made to liberalize the administration of migratory regulations.

Under Federal laws aliens have been crossing the Rio Grande River to work in Texas fields without meeting regulations. When these laborers were sent back, farmers protested because it had been customary for many years for Mexican pickers to come over at will.

Governor Shivers is making a special effort to bring about a more liberal administration of laws governing migratory labor.

L. G. Smith, at the Chamber of Commerce, was in contact with the employment commission trying to work out a schedule for an adequate supply of harvest labor for Milam County. Cameron was making no effort to provide necessary facilities in the way of housing and other things to handle the supply but the effort being made by the Chamber is commendable.

Mr. Smith said that an effort would be made to provide a concentration center where pickers would be more readily available and is trying to assemble advance information on how many pickers will be needed.

Mrs. R. L. Batte Sr., and Miss Abbie Reese Harvey attended the funeral of M. Lee Lyles Monday afternoon.

FORMER RESIDENT HERE DIED FRIDAY

Lee Lyles, 57, Central Texas native and assistant to the president of the Santa Fe Railway, died at noon yesterday in a Chicago hospital after an extended illness. He was a resident of Chicago.

One of the nation's best known public relations men, Mr. Lyles was put in charge of the Santa Fe's public relations department when it was organized and held that position at the time of his death.

Born in Cameron Aug. 18, 1893, he joined the Santa Fe in April, 1911 in the operating department. In 1930 he transferred to the executive office in New York City and five years later

was appointed chief of the new public relations department. He was a director of the Public Relations Society of America.

He attended schools and business college in Waco.

Mr. Lyles' parents, Mr. and Mrs. Richard M. Lyles, formerly lived in Temple where his father was a Santa Fe employee. He died in 1938.

Mr. Lyles is survived by his widow; a son, William, who is a fruit company executive in Guatemala; his mother, of Big Spring; two sisters, Mrs. Gordon Duling of Big Spring and Mrs. Elma Noble of Houston; and several nieces and nephews.

Preliminary funeral services will be held Sunday in Elmhurst, Mich. and the body will then be shipped to Temple, arriving 3:30 p. m. Monday. The body will lie in state here from 4 to 5 p. m. Monday and last rites will be held at Christ Episcopal church at 5 p. m. Pace funeral home in charge. Burial will be in Hillcrest cemetery. The family requests that no flowers be sent.

Pallbearers will be Dr. O. B. Gober, Dr. G. V. Brindley, Sr., Dr. John R. Winston, A. B. Clements, Paul Cowley of Galveston and Dr. Palmer Woodson of Austin.— Temple Telegram.

Mr. and Mrs. William Whitaker and daughter Diane have returned home from Three Rivers where they visited Mr. and Mrs. "Danny" Kornegay. Mrs. Kornegay is daughter of Mr. and Mrs. Whitaker.

MRS. JULIA MEEK IS BURIED THURSDAY

Funeral services for Mrs. Julia Meek, 83, were to be held at St. Monica's Catholic Church at 4:30 P. M. Thursday July 20 by Rev. George Duda, Parish Priest.

Mrs. Meek died at the home of her daughter, Mrs. Mary Manis in the Rice Community at 2:15 P. M. July 19. She was born February 13, 1867 and had been a resident of Milam County a major portion of her 83 years.

Interment will be made in the St. Monica's Cemetery in Cameron with Marek-Burns Funeral home directing arrangements.

Survivors are two sons; Frank Meek of Cameron, and Lewis Meek of Cameron; two daughters, Mrs. Mary Manis of Cameron and Mrs. Sophia Lanford of Brenham. Also surviving are 11 grandchildren and four great grandchildren.

B & P Women's Club Hear Discussion On Socialized Medicine

Members of the Business and Professional Women's Club Discussed "Socialized Medicine" at the meeting Tuesday night July 18.

Mrs. K. K. Robbins gave an interesting talk on how socialized medicine operated in England and how through certain governmental departments the medicine becomes available to the common class of people.

Miss Myrtle Hinton discussed how it would affect the medical situation here in America and that the club had received a resolution from the American Medical Association for the club to vote against anything that would promote socialized medicine.

The club took no action to pass such a resolution.

Mr. and Mrs. Wesley Pratt visited Mr. and Mrs. Fritz Sump of Giddings over the week end.

Miss Mildred Abel Crowned Queen In Farm Bureau Contest

Miss Mildred Abel of Buckholts was chosen queen of the Milam County Farm Bureau in the contest held in Cameron Thursday night July 20 in the Simon-George Hall.

In coronation ceremonies Miss Abel was crowned by little Miss Nan Reno, daughter of Mr. and Mrs. Fred Reno.

Miss Abel in winning this popularity prize was presented \$20 in cash. She will serve for one year and will be eligible for the district and state contest to be held some time in August.

Runner up for the queen honor was Miss Rita Hanel of the Hoyte Community and also bookkeeper at the First National Bank. Other contestants were; Marilyn Deuser of Ad Hall; La Verne Krull of Hanover; Catherine Hawk of Clarkson and Jo Ann Hanel of Hoyte.

Mrs. George Clark was mistress of ceremonies.

Judges for the contest were: Mrs. Roy Huckaby of Williamson County, George Clark of McLennan County, and Mr. and Mrs. L. C. Rheath of Lee County.

Following the crowning, ice cream was served. Approximately 1000 people were present for this Contest.

After the social hour a community party began and music was furnished by the Southerners of Buckholts.

More Meters Here He Says; Pedestrian Offers Suggestion

Even if the city gets no revenue from the parking meters, they are a real Godsend to the sidewalk loungers. It takes a little energy to balance yourself against a telephone or awning post. The meters are just the right height. They wrap their arms around it like a love sick swain and they relax.

I think it is unfair that the Autoists who park at the curb are taxed and the sidewalk hog goes free. I suggest the City place sidewalk meters at the following places: one on West 3rd, back of Jenkins Service Station, at least two on the north side of Cameron Auto Supply Co., one on North ravis at Coward's Garage, one on North Travis at DeSota repair door, one at East end of Carey Lumber Co., one on Mair back of Houston's Service Station, one at first drive back of it and about 3 between Houston's Garage and Coca Cola plant. They will pay for the pay hike of the officers.

STORAGE PLAN IS IMPROVING PRICE

Egg producers in Milam County are due to get improved prices as the result of a new program now being worked out through a series of meetings with farmers.

Already producers who are participating in the storage at Fuch Brothers Hatchery are receiving substantially \$2.70 a case more or around 9c per dozen.

Mr. Fuchs said that the prevailing price of eggs for sometime has been around 25c per dozen. There are 30 dozen in a case. Eggs are being picked up by a Dallas firm on Wednesday of each week and the hatchery has storage for 120 cases.

Eggs being marketed through this new arrangement are kept under temperature of 52 degrees.

Egg producers are being educated on the proper care of the product through a series of meetings held by County Agent J. D. Moore and Mr. Fuchs. Eggs have to be cleaned and stored on the farms under conditions as near the Cameron storage as possible and educational meetings will continue to the point of rescuing producers who have thus far had no advantage looking to maximum prices. No figures are available at this

time on the number of eggs produced in Milam county but at one time it was third in Texas and was known as "The Egg Basket" of the state.

If the program can be expanded to an extent whereby a substantial portion of egg production can get into the upper price bracket it can be seen that profit can be realized.

For many years egg production has suffered strictures due to lack of proper market outlet where maximum prices were available. In the main eggs have been the main stay for country merchants for many years. They are taken in trade and trucked out to cash markets but the producers were not getting the benefit of the cash.

This has resulted in failure to get maximum benefit to every line of business depending upon farm production.

Farmers have been slow to organize their own interests especially where markets are concerned. In the egg market alone the difference between \$7.50 per case and \$10.20 for the same case means the difference between commercial benefits and negligible economic stimulation.

In 1945 the Cameron Planning Board pointed out the need for concentration facilities to handle produce of all kinds in Cameron, especially perishable products. The board recommended a farmers market but nothing tangible resulted. It is interesting to note that the city of Tyler has just voted \$300,000 in bonds to build such a market to facilitate County, handling of farm produce in Smith

The egg storage plan in Cameron is a good illustration of the general idea that any community that wishes to preserve itself and the territory upon which it depends must invest its money and its energy into improvements that mean stimulation to the sources of income upon which the people depend for their welfare. In the case of Cameron and Milam County it is agriculture alone.

Captain James T. Terry is now spending two weeks at Ft. Hood on active duty with the 49th Armored Division of the Texas National Guard. Mr. Terry was a teacher in the Veteran's School at Milano.

3 OFFICERS AND 40 MEN ARE IN TRAINING

By LLOYD ALBERTSON

With a huge parade by the entire 49th Armored Division on Saturday morning, Texas National Guardsmen attending two weeks of summer camp at Fort Hood completed half of a training schedule that was rigorous enough to be reminiscent of the hectic early months of World War II.

Three officers and forty three enlisted men of Battery C, 649th Anti-aircraft Artillery Battalion are attending the encampment. They left the unit's armory in Cameron at an early hour on Sunday morning, July 16th, and made the trip to Fort Hood in their own vehicles. They also carried along much of their equipment, including 40 mm. guns, machine guns and Carbines for firing on the range and in the field. Along with other units of the 649th, they are quartered in tents in the old North Camp Hood area.

Training started promptly at reveille on Monday morning, July 17th. The first two days it was devoted to close order drill, motor vehicle maintenance, firing for record on the rifle range with carbines, communications training, and instruction in the use of gases and smokes. Then

for three days the Battalion moved out into the field for a tactical problem. It returned on Friday evening in time to polish and shine up for the big mounted parade on Saturday morning in which all units of the Division participated.

Although they have been following a stiff training schedule, the Guardsmen have mound time to take part in the usual off-duty camp activities such as going to the PX and to the movie theatre. Also to discuss their favorite topic—speculate on when or if the Guard will be called into Federal service. Also listening to the various and sundry rumors, none of which are taken very seriously. And, finally, doing a little hoping that they can get a week-end pass and visit the old home town and get together with parents and the girl friend.

Mr. and Mrs. S. A. Cravatt are the parents of a daughter, Sharon Faye, born July 14 at Austin St. David's Hospital. The baby weighed 6 pounds and 11 ounces. The mother is the daughter of Mr. and Mrs. E. H. Miller of Ben Arnold.

Mrs. Leona G. White, Mrs. Beatrice Wiese, Miss Mary and Lois Randolph have recently returned from St. Charles Missouri where they attended the National Division Classroom Educational Association at Linden Wood College.

Mr. and Mrs. Jim Short were Cameron visitors Monday.

Funeral Services For M. Lee Lyles Held In Temple Monday

M. LEE LYLES

Funeral services for M. Lee Lyles, assistant to the president of the Santa Fe Railway and nationally prominent public relations officer, who died in Chicago Friday following illness, were held in the Episcopal Church at Temple, Texas, Monday afternoon. Interment followed in Hillcrest cemetery.

General executives and other officers and friends attended special services held in Chicago Sunday afternoon. The remains reached Temple Monday afternoon.

Mrs. Mary Lyles, the widow, and son William Lee Lyles, the latter flying from Guatemala to attend the funeral, accompanied the remains. A group of Chicago Santa Fe officials including G. H. Minchin, vice president, operating, and F. H. Rockwell, general freight traffic manager, escorted the family to Temple.

Mr. Lyles, 57, was one of the best known public relations officers in the country and was head of and aided in organizing that department in 1936 for the Santa Fe. He became a member of the advisory committee on public relations of the Association of American Railroads and a director of the Public Relations Society of America.

He was born at Cameron, Texas, August 18, 1893.

Miss Bobbie Jean McCown has returned from a visit to Ennis and Dallas Sunday.

Mrs. Welles Smith of Cameron returned Friday from a few days in Waco.

Local Firms Present Modern Cookery Here July 26-27

Cookery demonstrations featuring automatic gas ranges and refrigerators that replace drudgery with comfort and convenience in meal preparations will be held at the Simon-George Hall Wednesday and Thursday afternoons July 26 and 27 at 2 P. M., Richard Bush has announced.

The demonstrations will be free to the public and souvenirs and recipe sheets prepared by the gas company home economics department will be distributed.

These demonstrations, showing the

advantages of "flame cooking," will be jointly sponsored by the Cameron Gas Equipment Co., Western Auto Supply, Stedman Tractor Co., Culpepper's, Lacks Associate Store, Green Hardware and Lone Star Gas Company.

Miss Radine Brenton, member of Lone Star's staff of home economists, will present the demonstrations. Miss Brenton is an expert in the art of modern gas cookery with wide experience in the practical as well as the theoretical phases of homemaking methods. She received her degree in home economics from the University of Oklahoma.

Miss Brenton will actually prepare and cook all food in view of the au-

dience as she presents "Flame Fashions." During this presentation she will show the advantages of using the most Modern equipment in preparing the food.

Mrs. C. E. Burnham, of Bay Springs, Miss. is here on a visit with her sister Mrs. John Denson.

Mr. and Mrs. W. W. Caddell of near Buckholts were business visitors in Cameron the past week-end.

Friends wish Harold Varner of Temple a speedy recovery from illness in Newton Memorial Hospital.

Miss Barbara Burts is visiting her sister in Seminole this week, and is expected home soon.

with an Electric Food Freezer

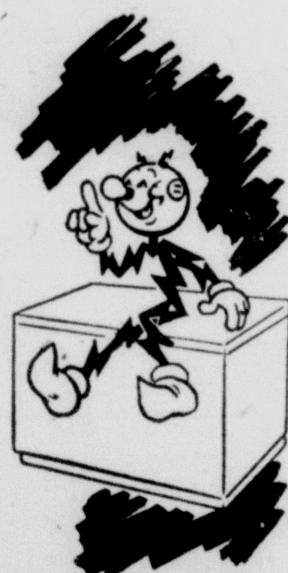

Owning an electric food freezer is like having a supermarket right in your own kitchen!

Think of it! With an electric food freezer, you don't have to shop so often... you save hours of canning... you can cook and bake ahead for hot days and special occasions. You can keep garden-fresh fruits and vegetables, meats, fish, soup, pies, out-of-season treats at your fingertips... ready to heat and eat!

What's more, frozen foods are tastier and better for you. Flavor and vitamins are sealed in.

Because you can buy food in large quantities at lower, peak-of-the-season prices, your food freezer saves you money, as well as time and trouble.

Take life easier with a wonderful electric food freezer... and let it pay for itself in convenience and economy!

GUARD UNITS CALLED ALONG WITH RESERVES

The United States was rapidly developing its armed forces and the first step for large scale mobilization occurred today when the army called into service selected National Guard units.

There was no announcement locally regarding the status of guardsmen in Cameron but the unit is now in train-

ing at Fort Hood.

The army also called reserves on two day notice. It was said the air force may call up veterans of World War II but hoped to get along with volunteers. The navy has been calling up reserves for more than a week and in Washington, Louis B. Hershey spoke of a 7 million man war machine.

The Senate and House of Representatives quickly concurred in recommendations of President Truman removing the ceiling from the armed forces and delegating authority to

handle the war crisis.

These moves removed doubt that this country intends to prosecute a vigorous large scale war in Korea and developments came on the event of victory and defeat in Korea.

United States troops are attacking all along the line and new forces were moving into battle.

Mr. and Mrs. George Shoenberg and children of Somerville were Sunday guests in the home of Mr. and Mrs. Marvin Pratt. The Schoenbergs are the parents of Mrs. Pratt.

INTRODUCING

Mr. and Mrs. Raymond Kirk are the parents of a son born Thursday, July 20 at St. Edward Hospital. Baby weighed 6 pounds, 12½ ounces, and has been named Raymond, Jr. The mother is the former Bernice Jistel. Grandparents are Mr. and Mrs. A. L. Jistel and Mr. and Mrs. Edwin Kirk, Sr.

Mrs. C. B. Leonard of Dallas is visiting Mrs. O. L. Hairgrove and Mrs. Roy Esslinger of Cameron.

MORRISON SECOND IN RACE FOR COURT

Pierce Brooks with a hillbilly caravan and quite Ben Ramsey, a veteran politician, facing the run-off today for lieutenant governor of Texas.

There never was any doubt about the governor's race in Saturdays Democratic primary election—Gov. Allan Shivers held at least 75 per cent of the votes throughout the tabulations.

His nearest opponent, Caso March, running for the third time for governor, said he would run again.

Approximately a million votes—smallest for a July primary since 1944—were cast, the Texas Election Bureau, a cooperative vote-gathering agency for newspapers and radio stations, estimated.

At 6 p. m. Sunday, with 930,091 votes tabulated only two counties had not sent in returns—Limestone and Zavala. Of Texas' 254 counties, 101 were complete.

Shivers had 707,342 votes; March 168,672. Shivers said he was just going to rest down on his farm at Woodville in southeast Texas, "watching my trees and cattle grow" until about August 1.

Unofficial and incomplete returns from the Texas Election Bureau Sunday showed:

1. A run-off for lieutenant governor.
2. A run-off for agriculture commissioner, with incumbent J. E. McDonald way out ahead but lacking a majority over three opponents. John C. White of Wichita Falls and Charlie McClellan of Eagle Lake were

The Cameron Herald July 27, 1950

close together in second and third.

3. A run-off for the court of criminal appeals with Robert A. Lattimore of Dallas at the top and W. A. Morrison of Cameron second.

4. A run-off for Place One in the state supreme court with Will Wilson of Dallas comfortably at the top and Fagan Dickson of Austin second.

5. A run-off for Place Three in the state supreme court with incumbent Meade Griffin of Plainview at the top and George Harwood of Dallas second.

6. A run-off in two congressional races: Rep. Ken Regan of Midland was leading in the vast 16th district of far West Texas, but Paul Moss of Odessa was not far behind. In the Panhandle's 18th district Mrs. Altavene Clark of Amarillo was leading the field with Leroy Lamaster, Perryton farmer, second, and Walter Rogers, Pampa attorney, close behind Lamaster.

The vote was unexpectedly heavy. The election bureau estimated almost a million ballots were cast. Texas has a voting strength of 1,600,000 this year—counting poll taxes and exemptions.

Returns to the Texas Election Bureau at 6 p. m. from 252 out of 254 counties in the state, including 101 complete, showed the following totals.

Governor—Abbey 6,388; Hutchison 13,716; Lawrence 8,414; March 168,672; order 12,595; Shivers 707,342; Wren 12,964.

Lieut.-Gov.—Arnold 18,658; Brooks 181,489; Davis 24,898; Evans 74,873; Harris 43,423; McAshan 9,583; Morris 95,673; Ramsey 163,141; Reed 97,288; Smith 93,394; Vick 48,390; Womack 11,790.

Comptroller—Butler 243,132; Calvert 529,837.

Land Com.—Allred 289,433; Giles 531,357.

Agr. Comm.—Fairley 114,321; McDonald 357,761; McClellan 165,767; White 175,702.

Criminal Ap.—Cook 72,939; Lattimore 177,030; Letts 42,353; Morrison 142,615; Myres 69,271; Nelson 117,488; Storey 97,858; Wuntson 47,149.

Supreme Court: Place 1—Dickson 299,459; Wilson 365,116; Wray 118,441.

Place 2—Calvert 422,805; Harvey 169,464; Scott 177,448.

Place 3—Davis 138,286; Griffin 275,725; Harwood 219,679; Keenan, 110,953.

Son Of Clarkson Residents Sails For Korean War Front

Mr. and Mrs. T. O. Mitchell of the Clarkson Community received word from their son, Wendell Mitchell of the First Marine Division, that his division has sailed for the war front in Korea.

Wendell is their youngest son and is 19 years of age. He was born in the community and graduated from Yoe High School where he lettered two years on the Yoeman football team. He enlisted in the Marines September 1949 and received his basic training at Ocean Side, California.

Mr. and Mrs. Mitchell had four sons who served during World War II. They were: T-Sgt. T. O. Mitchell, Jr., now stationed at Walter Reed Hospital in Washington, D. C.; T-Sgt. Jack Mitchell at Holloman's Air Field, New Mexico, and Rudell and Judge Mitchell both of Bryan. They also have two daughters.

Visitors in the home of Mr. and Mrs. Guy Rivers over the week end were Mr. and Mrs. J. A. Pendergrass of Paris, Mrs. Jessie Basden and daughter, Janie, of Paris, Mrs. R. L. Gibson and son, Roy Lee of Corpus Christi, and Miss Charlene Pendergrass of Baird, Texas.

Mrs. Ann Poling, 609 Delaware St., Indianapolis, Indiana, who was suffering from deficiencies of Vitamins B, B₁₂, Iron, and Niacin, smiles as she pours herself another cup of coffee. Mrs. Poling says life lately is like it used to be years ago... "that is, of course, since I've been taking HADACOL." She can't get over what a difference HADACOL has made in her outlook on life.

Mrs. Poling says: "Three months ago a good friend of mine told me about HADACOL—she knew how much stomach distress I have had. Any type of food that was fried or that had acid in it I just couldn't eat. It affected my sleep, too. In fact, I couldn't have been in a worse condition. When I ate what I wanted to I felt miserable and when I didn't eat these things—I didn't have a proper diet and still felt bad. Then, when I started taking HADACOL, I felt better immediately. I've got a bottle in the house now—and will continue to keep HADACOL from now on. I have told many folks about HADACOL—and they all thank me for telling them about HADACOL. They all have gotten wonderful results from HADACOL like I have. Now I eat anything I want and get a good night's sleep. I can't praise HADACOL enough."

HADACOL Can Help You, Too!... as it has helped thousands of others whose systems lacked Vitamins B, B₁₂, Iron and Niacin. Yes, even hundreds of doctors have recommended HADACOL to their patients. The HADACOL formula is so effective for stomach distress, nervousness, insomnia, constipation, aches and pains of neuritis, and a general run-down condition caused by such deficiencies.

Make Up Your Mind... to give HADACOL a chance to help you, as it has helped countless thousands of others. Remember, there are no substitutes for HADACOL. Always insist on the genuine HADACOL. No risk involved. Buy a bottle of HADACOL, either the trial size, \$1.25, or the large family or hospital size, \$3.50, and if HADACOL does not help you your money will be refunded.

Are you the kind of a bird who is afraid to let his hopes fly high—the kind who *thinks* that "someday" he'll get around to that big vacation—that cottage of his own at the beach—that big workshop in the basement—that fine car to replace the second-hand heaps you've always driven?

All of us have some such an ambition. But too often we keep it caged and never let it take wing because of that "ol' debbil" money.

Well, if you're a future dreamer (and who isn't?), why don't you set about realizing your wishes *right now!* Just about the best ways ever thought of for easy, painless saving, are your government's Payroll Savings Plan and the Bond-A-Month Plan.

With the first, you simply arrange with your employer to set aside a small portion of your salary each payday.

The other plan is for you who are your own employer. In your case you let your bank buy a Bond each month from your balance.

Each plan takes the little you hardly feel and salts it away for you until, in ten short years, it makes you \$4 for every \$3 you put in.

May 15 to July 4, with sales through July 17 being credited to the state and county quotas.

Total sales in Texas were \$25,383,-274.75, or 105.37 per cent of the state's quota, Mr. Adams said. The state quota was reached and exceeded when a final burst of bond buying during the last week of the drive, marked up over \$7,000,000 in sales. Of Texas' 254 counties, 103 exceeded their quotas.

"Success in this campaign preserves Texas' unblemished record of always going over the top in bond drives," Mr. Adams said. "At the same time the people of the state have added substantially to their savings and, consequently, to their personal security."

BILLY STREICHER NOW IN WACO HOSPITAL

Billy Streicher, eleven year old son of Mr. and Mrs. Walter Streicher, is a polio patient in a Waco Hospital. Billy was stricken at his home on the R. L. Batte ranch near Rogers and was rushed to Cameron where Dr. M. C. Bartlett pronounced his ailment as polio. He was taken to the Waco Crippled Children's Hospital early Monday evening and while no report had been received on his progress it was believed he is doing well.

This is the first polio case reported in Milam County this summer and caused considerable alarm and disappointment for Cameron and the county has been free of polio while surrounding counties had reported a number of cases.

Dr. Bartlett said it was difficult at this early stage to determine how serious this case is.

Milam County health officers and those in charge of the Health Unit had received no report up to 10 A. M. Tuesday. Precautions have been taken here and elsewhere but since little is known about the cause of polio there is never any guarantee that preventative measures have been taken.

PAY HIKE REQUESTED BY LOCAL POLICEMEN

There is no more pathetic figure anywhere than an overworked Cameron policeman.

So it seems from what occurred at a meeting of the city council Tuesday night.

Two recent appointees of city marshal Joe Richter wanted an increase in salary of \$25 per month and when the request was made there was a flare-up among some of the aldermen but as it turned out no policeman resigned and some clarification was had on the parking meters and enforcement of traffic laws.

Alderman D Q M (that means don't quote me) felt that somebody was trying to escape responsibility for full discharge of duty.

Jarrell Edmonds who was placed

on duty as a traffic policeman said he wanted an increase in salary because he would have to supervise the meter system and take up the money deposited in the boxes. J. T. Harris, night policeman wanted an increase in salary of \$25 per month also.

A discussion following the requests was highlighted by a statement made by city marshal Joe Richter who told the council that he had been elected by the people to be their city marshal and not to wear a uniform or be a traffic cop.

Mr. Richter under the present form of City Government is entirely correct in his interpretation of his responsibility. Cameron operates under what some critics have said is the "Mosaic Law," meaning of course, that the city has not as yet emerged from the frontier conception of law and order.

Under modern conditions the city would have a chartered government and a police department headed by

a chief who would be responsible to the council, if the government desires a voice in police affairs.

The request for salary increases was referred to the finance committee and it was understood a recommendation will be made. There appeared little doubt that salaries will be raised since the aldermen are accustomed to granting most any request for increased spending.

The parking meters precipitated an immediate emphasis on a long standing problem in Cameron. The city has had so little law enforcement in the past that any suggestion of reform brings "political rigors," the theory being that when Mrs. Canasta monopolizes a street or a Space Hog takes up two places at the curb, it is bad policy to call to the attention of anyone anything that smacks of irregularity.

It is like some newspapers we know. They write on a cash register and public duty is too often performed with an eye on the ballot box.

Cameron has had the worst system of traffic to be found anywhere in the country. The city put on a traffic policeman. It seems doubtful if the government expected results.

INFANT SON BURIED

Graveside services were held here Monday at 4 p. m. for Robert Frank, infant son of Mr. and Mrs. Bryan McLaughlin of Taylor. Father John O'Reiley of Cameron officiated.

Mrs. McLaughlin is the former Dorothy Richter of this city.

PFC Willie Twiggs With Eighth Army In Gifu Japan

Private First Class Willie Twiggs, son of Mrs. Mattie Johnson, of Cameron is a member of the 24th Infantry Regiment, now stationed in Gifu, Japan.

The 24th Infantry Regiment is a part of the 25th Infantry (Tropic Lightning) Division, commanded by Major General William B. Kean.

PFC Twiggs is a rifleman in Company H and recently departed camp Gifu for summer maneuvers at the base of Mt. Fuji, Japan's most famous mountain. He entered the Army in September 1948, received his basic training at Fort Knox, Kentucky and departed for overseas duty in December 1948.

Eugene F. Polzer Is Awarded Scholarship At Texas A & M

Eugene F. Polzer of Cameron is one of 53 Texans to receive Opportunity Award scholarships at Texas A & M College.

The 53 June high school graduates were named by the faculty committees on scholarships from 312 candidates who entered the 1950 statewide competition for a chance at a college education.

Eugene is the son of Mr. and Mrs. S. F. Polzer, and graduated Salutatorian of his class in May. He made outstanding records in tennis and slide rule interscholastic league meets and was chosen the most representative boy of the class.

COUNTY CONSERVATION PROGRAM PROGRESSES

3600 farms have been visited by community PMA committeemen under the Farmers and Ranchers Conservation program which was started in March of this year, according to Mr. Alva E. Sanders, PMA Administrative officer. The program was designed to work toward better conservation conditions in Milam County.

A report was made on each farm and every farmer is urged to come to the PMA office to discuss his report. In the survey, most farmers were concerned over their conservation problems and expressed a desire to do something about them.

It was found that in 1949, in one community, that out of 19,000 acres of land needing terracing, only 394 acres of terraces were built, that 4,000 acres of legumes were planted of the needed 14,000 acres. Sixteen farm ponds were built from the needed 165 to provide adequate livestock water. This community is only a small portion of Milam County. Therefore, a tremendous job lies ahead.

Mr. Sanders says that Milam County was one of the four counties in Texas selected to carry out this program and that he believes that as a result, Milam County will have a better Agricultural Conservation program.

Sterling Silver Rosary Shown Here; Made in France

A Rosary of Sterling silver was exhibited here this week by Miss Louise Mareth of Waco.

This Rosary is historically important and was brought to the United States from France more than 50 years ago by Mrs. Louise Wick of San Antonio, an aunt of Miss Mareth.

Miss Mareth has a number of Rosaries, but only one made of Sterling silver. She was living in San Antonio at the time of the gift.

The Rosary is a string of beads used by Catholics in prayer and they are also in use by Hindus, Mohammedans, and Buddhists.

The Christian Rosary was introduced into Europe by the Crusaders. In Christian worship, Rosary Sunday in the first Sunday in October and was instituted by Gregory XIII.

Meter Enforcement Ordinance Passed By City Council

An ordinance to enforce compliance with the new traffic system that calls for parking meters was enacted Tuesday night by the City Council.

The ordinance will become effective upon its publication and the parking meters will be in operation around August 1.

The meters are on a partnership basis and the city will not get the full benefit of the revenue since half of it must go to the company own-

ing the meters.

Like all new things started in a static atmosphere there is some complaint and no indication as yet there will be an enforcement of the meter system.

The police department has had cards, for about a week, placed on cars as a courtesy, calling attention to what constitutes a violation of the law but few people if any have seen any of these cards put into use.

Policemen are extremely cautious and are always afraid of offending Mr. and Mrs. Canasta. The meter system will succeed only if the City council believes it was the thing to do and can find courage enough to require people to deposit coins in the meters.

To The People Of Milam County

The splendid majority you gave me on Saturday July 22, resulting in my re-nomination for another term in the office of County Attorney is deeply and genuinely appreciated and I wish in this way to say to all the people that I appreciated the confidence expressed in this splendid vote.

To those who saw fit to vote for my opponent I have only the kindest of feeling and I want their cooperation in the discharge of my duties for I recognize that the office of County Attorney is vital to all the people and I am looking forward to continued success because of your confidence and help.

With gratitude and appreciation I send these greetings to the people that they may know how grateful I am for my re-election.

COUNTY ATTORNEY

What a stepper!

Just hint to the gas pedal and she steps out like no other low-priced car. And that's true whether you're driving a Ford V-8 or "Six". But this high-stepper is a low spender when it comes to costs. You can own a V-8, for example, for hundreds less than most "Sixes"—and a Ford "Six" for even less.

What a stopper!

This '50 Ford actually helps you apply the brakes. They're 35% easier-acting King-Size Brakes that use car momentum to help you stop. Like Ford's extra-rugged "Lifeguard" Body, they give you the kind of protection you'd expect only of costliest cars. And for added safety and comfort, you ride low and level in the "Mid Ship" section of the car, between the wheels—not over them. You're cradled in comfort on "Hydra-Coil" front springs and "Para-Flex" rear springs that give a road-hugging smoothness truly amazing.

What a looker!

Yes, again in '50, Ford received the Fashion Academy Gold Medal as "Fashion Car of the Year." And Ford's stay good looking because their baked-on finish is "made to live outdoors." That means high resale value which, together with Ford's low running costs, puts Ford further out front as America's savingest car.

And what a saver—
all the way!

COMMUNIST RUSSIA WARNED BY PRESIDENT

WASHINGTON, July 19. President Truman warned Russia and its satellites today that further acts of aggression may touch off world war III.

He said United Nations action in Korea had made clear the free nations will meet aggression "with force."

"This is the significance of Korea—and it is a significance whose importance cannot be over estimated," he said in his bluntly-worded message to congress.

"I shall not attempt to predict the course of events. But I am sure that those who have it in their power to unleash or withhold acts of armed aggression must realize that new acts of aggression in the world today might well strain to the breaking point the fabric of world peace."

The President left no doubt he blames Russia for the "naked, deliberate, unprovoked aggression" in Korea. He said the facts "flatly disprove Moscow's propaganda claims that South Korea provoked the attack."

He said Russia's attitude on Korea directly contradicts Moscow's "often expressed intention to work with other nations to achieve peace."

The Cameron Herald July 27, 1950

in the world."

Only the Soviet union and a few other countries, he said, have refused to support UN action in Korea. He noted that 52 of the 59 UN member nations are supporting the fight.

"While Truman issued his blunt warning to SCoviet Russia, reports from Europe stated that members of the Cominform were possibly meeting in an European city."

("Only trouble could come from that," one observer remarked.)

BEN ARNOLD-CLARKSON CONTRACT DUE SOON

Contract was due to be let some time this week on 8.12 miles of farm-to-market roads from Ben Arnold to Clarkson.

The Texas Highway Commission on Wednesday received bids on these roads known as Farm Highway No. 1444 and 1445, and H. R. Henderson company of Marshall were low bidders. The cost will be \$100,788.00.

It is presumed that this contract will be awarded to the Marshall firm and that construction work will begin soon.

These are important roads because they penetrate a section of the county famed for its blackland crop era. The road will start at Ben Arnold and run northeast to Clarkson and will be an outlet to Highway 77 leading to Cameron and all points south, and will be beneficial to Ben Arnold as well. At present, people living in these areas must travel over gravel roads that are not always good enough for the traffic.

Milam County was getting good results as contract has been let for 13 miles of farm-to-market highways from San Gabriel to Pettibone.

A portion of the new road from Ben Arnold to Clarkson is in Commissioner Precinct 1 of C. S. Raney of Buckholts and Commissioner Precinct 2 of W. W. Markham of Cameron.

The road picture was changing rapidly, although in the main, Milam County farmers were still in the mud. This is especially true of the Marak country and portions of Precincts 3 and 4. In addition to the farm-to-market road program, the State Highway Department is soon to let contract on re-building Highway 77 from city of Cameron to Burlington and has designated Highway 36 from Cameron to the Bell County line. There remains the important matter of getting the right of way through the city.

TO THE PEOPLE OF COMMISSIONER PRECINCT NO. 2

This is to express to my friends and supporters my sincere appreciation for their vote for me for Commissioner of Precinct No. 2. I am deeply grateful to everyone who assisted me in my campaign.

W. D. BIGBEE

To My Friends:

"You have again proved your friendship and your loyalty for me, and I deeply appreciate it. I am, of course, proud of as well as pleased with the overwhelming majority which the people of our District gave me in the face of active and determined opposition. It is inspiring, but it places a responsibility on me which I hope I may be able to meet with credit to those who have shown their confidence in me.

"As in the past, I shall continue to work with you for the welfare of our Country and our District. Again I thank you.

Your Friend

W. R. POAGE

CONGRESSMAN, 11th TEXAS DISTRICT

To The People Of Milam County

I want the people to know of my deep thanks and appreciation for the splendid majority given me on last Saturday, July 22 in my race for the re-nomination for County Clerk for Milam County.

I wish especially to thank the loyal friends over the County who helped me in my campaign and I want those who voted for my opponents to know that I hold only the kindest feelings, and want their cooperation in the discharge of my duties in this important office.

It is a source of deep personal satisfaction to have the continued confidence of the people of Milam County, and out of gratitude for their support, I pledge all the people my best efforts to continue to render the faithful, efficient service that has been true of my years in this office in the past.
